Great! Thanks for the heads up! If it goes to October, then we can put it under 17/18...we also can roll over any of the unused 16/17 money under this orgn to 17/18 as well at that point...whatever is easiest for you all...

Hi Molly-

Heads-Up.....I have heard that there is an amendment in the works on 06L0X13 to extend us into mid-October and potentially adding another \$7.5M
